

Rave Reviews from Sitters

“Being a full time college student and also coming from a different city, it is hard making connections and finding good babysitting jobs. When I went to MommyMixer it was surprisingly easy. Not only was I able to meet moms and families in a comfortable environment, but I also had a chance to socialize with other students and sitters about the experience we were sharing. Not even three days after I attended a mixer, I had a job lined up! MommyMixer has put me in a network of moms that actually got me the most enjoyable summer job...” -**Melanie**

“I’ve attended two MommyMixers in the past, one in my hometown and the other where I attend school. Both mixers helped me find two down-to-earth and welcoming families to work with. By attending MommyMixer, I found myself with an instant job with desirable hours and wage... that I had chosen! What more can a college student ask for? I’ve had such a great experience working with MommyMixer and I definitely recommend this service to anyone who enjoys babysitting!” -**Mallory**

“I am not from Austin and I knew that I wanted to babysit; however, I didn't have any connections with any moms in Austin. I heard about MommyMixer through my sorority. It was easy, and I could talk with the moms one-on-one and see if my schedule fit with theirs and if I felt comfortable with them as well. I now have three families that I babysit for regularly thanks to the great connections I made at the mixer.” -**Shannon**

“MommyMixer is fabulous! I attended a mixer in May and was called by four parents within the first week. Since then I have grown close to two families and have thoroughly enjoyed getting to know the parents and their children. It has been a rewarding experience and I look forward to attending another mixer again soon!” -**April**

“I just wanted to tell you how much I appreciate MommyMixer. It is the most genius idea, and I tell all my friends about it. I have met several really wonderful families this summer in Dallas, and you're the one to thank. I can't wait ‘till I get back to UT in January so I can start meeting Austin families, too! I'm hoping to schedule my classes with a regular sitter job in mind.” -**Jill**

“My name is Laura and I have been a part of your MommyMixer organization before (Summer 2004). I just want to tell you how amazing it was for me! I found a family with the most precious 5-month-old girl and I ended up working full time for them all summer. At the end of the summer I even went on a trip to Hawaii with them to help take care of their little girl. So, I just wanted to say thank you for that opportunity!” -**Laura**

“MommyMixer helped me find the most wonderful family I have ever babysat for. At the mixer, we immediately connected because we had schedules that fit each others’ needs. It only took me one evening to set up a babysitting job that I have had for six months now! I have even gotten to house sit for them and we have become really close! MommyMixer really is the best way to find a babysitting job because it is easy, fast, and you are sure to find someone you click with! I recommend it to all my friends wanting to babysit.” -**Kelly**
